

4th SIP PLANNING AWARDS 2015

The 4th SIP Planning Awards 2015 competition, opened for the first time to international planning firms, received 36 very impressive submissions. A wide range of urban planning and urban design work in Singapore, Malaysia, Indonesia, Thailand, the Philippines, Vietnam, Myanmar, China, Korea, India, Qatar and South Africa was covered in the submissions.

SIP would like to thank all the participants for their enthusiastic support, without which a competition of this scale and the high-quality submissions would not have been possible.

The jury, comprising Ms. Cheong Wing Ying Evlyn, Mrs. Koh-Lim Wen Gin, Mr. Tan Cheng Siong, and Professor Jurgen Rosemann, engaged in long deliberations and careful evaluations of the submissions before finally selecting the winners from a very strong pool of contenders. The winning projects are showcased in this document.
