

**INTERNATIONAL
BUILT ENVIRONMENT
WEEK**

2 - 4 SEP 2026

Marina Bay Sands, Singapore

Empowering People, Accelerating Intelligence

International Built Environment Week (IBEW) is APAC's premier platform for the built environment. This strategic gathering unites decision-makers and key stakeholders to scale solutions for people, digital intelligence, and sustainability. Spanning conferences, BEX Asia, and the Industry & Awards Dinner, our integrated ecosystem offers unparalleled access to senior leaders. Gain a strategic stage to demonstrate expertise, lead high-value discussions, and command visibility across the entire value chain.

Position Your Brand Where Industry Decisions Are Made

IBEW Conference

Establish thought leadership and position your brand at the centre of industry decision-making through IBEW's conference platforms.

BEX Asia Exhibition

Showcase your solutions to buyers and project decision-makers actively evaluating technologies and partners at BEX Asia.

Industry & Awards Dinner

Engage senior decision-makers and build strategic relationships through high-level networking and collaboration at the IBEW Industry & Awards Dinner, celebrating the BCA Awards.

Drive visibility, build strategic partnerships, and unlock new business opportunities across APAC's built environment market.
